Now that's clever.

2007 Front-Load Laundry Pair

Specifications Sheet

Washer Model
NFW7200TW
Dryer Model
NE/GD7200TW

antimicrobial component protection

Super Capacity

Spend less time in the laundry room and more time having fun. A 7.1 cu. ft. dryer capacity lets you dry more at once.

Antimicrobial Component Protection

Join the fight against washer stains and odors. The rubber door seal is built with antimicrobial protection to resist the growth of unwanted bacteria.

ENERGY STAR® Qualified

Save money and conserve energy. With a CEE Tier I* rating, this washer exceeds the 2007 ENERGY STAR® guidelines for energy and water efficiency. You'll use 10,521** fewer gallons of water each year and save 44% on energy when compared to a standard non-ENERGY STAR® washer.

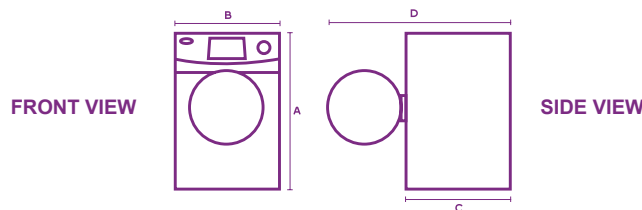

Washer	NFW7200TW
Capacity (cu. ft.)	3.5 I.E.C.

Color	White

Dimensions

Height (A)	38"
Width (B)	27"
Depth (C)	28 - 3/4"
Depth with Door Open 90° (D)	46 - 7/16"

Extended Venting Capability

Put your dryer where you want it. Extended dryer venting capability—up to 80 feet—provides increased installation flexibility within your home.

Stack It

Take versatile installation a step further. Easily stack the dryer on top of the washer to save floor space.

No. of 90° Elbows per Linear Feet of Venting	4" Diameter Rigid Duct
0 Elbows	80'
1 Elbow	68'
2 Elbows	57'
